

Dear Sir or Madam,

Statement of item Industrietechnik GmbH on the use of „conflict minerals“ in our products, referring to the „Dodd-Frank Act“, Section 1502.

The Dodd-Frank Act, Title XV, refers to the materials tin, tantalum, tungsten, columbite, gold and their derivatives, mined in the crisis region of the Democratic Republic of the Congo and adjacent countries.

The US federal law aims to prevent trade in the above-mentioned materials if they originate from these crisis regions.

item is aware of its social responsibility with regard to the environment, safety and international laws in business transactions.

In order to support the fair, peaceful and sustainable use of our products, we hereby request that you send us the ordered products in question in a list so that we can check them accordingly.

Yours sincerely  
item Industrietechnik GmbH
